# Construction, Traffic, and Parking Guidelines

- Work within only two blocks will be allowed at a time
- At least one (1) lane of traffic in each direction will be kept open at all times
- Temporary weekend intersection closures or detours of certain traffic movements will be allowed to facilitate the construction of special intersection concrete paving
- “No Parking” signs will only be in effect two blocks at a time. As much as possible, parking restrictions will only be in place from 7:00am to 7:00pm, Monday - Saturday
- Community will receive a minimum of two week advance notification of construction work and parking restrictions
- Contractor & project team will work with affected businesses to provide proper accommodations for delivery, trash collection schedules, etc.
